part of which are half-tracks. The auto park consists of nine passenger cars, 26 trucks, and 22 cross-country vehicles.

- 9. There are fewer Soviet troops in Timisoara than in previous years. The higher commands remain, but many of the troops withdrawn in the spring of 1953 had not returned by Nov. 53.
- 10. Maneuvers were held in smaller units than in 1952. There were no special troop movements in the border zone.
